ABOUT US

As a division we focus on telling the stories that are not heard. We strive to be a 'Voice for the Voiceless' by 'Giving voice to the stories that impact others.'

Our emphasis on hands-on learning helps set our students up for success.

Do you enjoy communicating with people? Are you creative? Do you enjoy watching your projects come to life? If you do, a communication major may be a good fit for you!

MLLC AT A GLANCE

Welcome to the MLLC Division, the home for our language, literature, English, and writing majors, as well as our multimedia, human, and strategic communication majors

Each of our majors' core classes are carefully chosen to ensure that all our students graduate with the skills and knowledge that help them stand out in their field.

Our communication majors consist of a variety of courses, which can include Conflict Communication, Persuasion, Public Relations Writing and Publicity, Organizational Communication, Media and Society, Introduction to Multimedia Storytelling, Newswriting, and many more.
